Dear Dr. Mihajlov,

It is with great pleasure that I write to inform you that the Executive Committee of the Sustainable Development Solutions Network (SDSN) has enthusiastically approved your membership in the Solutions Network. We are very happy to have you join the Network, and look forward to working together in support of sustainable development.

We will add your email address to the SDSN mailing list for member institutions, through which you will receive advance copies of SDSN papers and publications, information about events, and general updates on the work of the SDSN. Your institution's name and logo will be put up shortly on the SDSN website. Please let Lauren (lauren.barredo@unsdsn.org) know if other email addresses from your institutions should be added to the email list.

In the coming months, we look forward to finding further means of collaboration on research, Solutions Initiatives, and policy work. Much of this work will be facilitated by the SDSN Regional Centers, and one of their representatives will be in touch shortly. In the meantime, please let us know if you have suggestions for joint initiatives or requests for how the SDSN might be able to support your work. Please also feel free to contact Lauren or me at any time if you have questions regarding your membership in the SDSN.

With all best wishes,
