INVITATION

We are inviting you to participate in the second online webinar "ADVOCATING FOR SOLAR ENERGY FOR THE CITIZENS OF THE WESTERN BALKANS" organized on June 16, in the frame of the project "Solar energy for citizens in Western Balkan" financed by WBF.

The overall objective of project is to promote and advocate the best practices of self-producers of solar energy, to facilitate the exchange of information and knowledge among diver's stakeholders and to raise awareness on the initiatives and innovative solutions on clean energy that must be adopted by policy and decision makers, aiming to build partnership and common actions in WB for unlocking the great potential of solar energy and advancing the regional agenda of sustainable development.

This webinar will gather representatives of NGOs, universities, and business communities from several WB countries to be informed and discuss the policies, legislations and regulations of the solar energy sector in North Macedonia and Serbia.

Please find attached the agenda of the event.

Date and time: 16 June from 10-12 a.m (CET)
